

# THAI SA-ON

## Our Story

Thai Sa-On is locally family owned restaurant. Established in 1989, my mother and my sisters were doing all the cooking with over 100 items on the menu. They had so much passion and love for cooking.

The word Sa-On means to be pleased and satisfied. Our mission was to become the best Thai restaurant in the city so we've strived for excellence. As the oldest son of the family who had no talent in cooking but have a lot of interest for wine, I knew that Thai food and wine could really create a phenomenal for dining experience. I've started to develop my passion for wine and collected high quality wine to offer our customers at good value. At Thai Sa-On, we are also known among diners as the Best Wine in the city.

With years after years of awards and recognitions, Thai Sa-On has become the icon for Thai Dining in Calgary. We are truly appreciated your supports over the last three decades and looking forward to bringing more excellent Thai food to your tables here or at the comfort of your home.

Cheers!
